Titre Legal intern

Description du poste Our internships offer valuable insights into life at a dynamic and international boutique

law firm

The program provides our interns with the opportunity to collaborate with our lawyers and professional staff as integral team members. Interns are actively encouraged to fully engage in both the professional and social dimensions of the firm.

Throughout the internship, you will work closely with our partners and clients, gaining a deep understanding of the daily responsibilities of a lawyer, alongside acquiring technical knowledge and practical experience.

Initially, you will be expected to assist with administrative tasks, progressively building the skills and confidence necessary to undertake more advanced responsibilities.
